Join BERNINA Educator Kari Curley for a round-robin serger event on Tuesday, October 6, 2026. Explore the BERNINA B8, B6, and B4 Series, along with the bernette b64 and b68 sergers, while creating several small projects that will make great holiday gifts!

Whether you're considering your first serger or looking to get more from the machine you already own, this event will help you compare BERNINA models—from entry-level to advanced—by features, performance, ease of use, and stitch quality.

What You'll Learn

- Learn the essential functions and features of each machine
- Compare beginner, intermediate, and advanced models
- Ask questions and receive personalized guidance

You'll leave with practical serger skills and several finished handmade projects—perfect to keep or give as a thoughtful gift.
