make this great
little zipper bag!

Whether you're exploring new techniques or refining your craft, this all-day workshop will take you through a patchwork of creative possibilities – from decorative stitching to quilting in the hoop and beyond. You'll experiment with couching, free-motion quilting, stitching on vinyl, adding zippers, embroidery and much more!

Along the way you'll complete a stylish and functional zippered pouch – a perfect way to showcase your newfound skills. Come stitch with us – one piece at a time!

What You'll Learn

- Learn the essential functions and features of each machine
- Compare beginner, intermediate, and advanced models
- Ask questions and receive personalized guidance

You'll leave with practical serger skills and a finished handmade project—perfect to keep or give as a thoughtful gift.
