DESCRIPTION

This scientifically curated blend was designed by our top coaches to get the busy businessmen back to optimal health. **OptiGreens** combines together 4 innovative support nutrient blends for enhanced results in the simplest form possible.. Each ingredient was thoughtfully selected to work synergistically, targeting safe detoxification, a stronger immune system and digestive system and improved gastrointestinal health, all while sustaining overall heart health and vitality.

WHY OPTIGREENS?

Better Digestive System

Combines a blend of soluble fibers, bromelain, aloe vera and licorice root powder for better digestion and reduced bloating.

Effective Detoxification functions

A blend of juice powders, broccoli and carrot powders, milk thistle, rosemary leaf powder and green tea extract to safely detox your body from harsh chemicals from our everyday environment.

Enhanced Immune System Health

Includes royal jelly and bee pollen to super power your immune system to fight off any viruses coming your way.

Cardiovascular Support

A specific selection of powerfully phytonutrients like red raspberry, beet juice and cranberry juice powders along with rose hips and flaxseed meal for a healthy heart.
