DESCRIPTION

This scientifically curated blend was designed by our top coaches to get the busy businessmen to optimal health. **OptiOmega** brings together an innovative blend of omega 3, 6 and 9 for enhanced fat burning, increased lean muscle mass and much more. Each ingredient was thoughtfully selected to work synergistically, targeting fat loss, improved lean muscle mass all while reducing sugar cravings and supporting cardiovascular and overall health and well-being.

WHY CHOOSE OPTIOMEGA?

Cleanse Billions of Fat Cells to Burn Body Fat Quickly

OptiOmega targets and cleanses billions of fat cells, helping you shed unwanted body fat fast and efficiently.

Keep Fat Storage Hormones in Check

Our formula helps regulate fat storage hormones, ensuring your body utilizes stored fat as fuel instead of storing it.

Force the Body to Utilize More Stored Fat as Fuel

OptiOmega promotes the use of stored fat for energy, accelerating fat loss and boosting your metabolism.

Drive Carbohydrates into Hungry Muscles Instead of Billions of Fat Cells

Ensure that the carbohydrates you consume are directed to your muscles, providing energy and preventing fat storage.

Reduce Cravings for Junk Food

Say goodbye to unhealthy cravings! OptiOmega helps curb your appetite, making it easier to stick to a healthy diet.

INGREDIENTS

Serving size: 1 softgel

Other ingredients: gelatin, glycerin, purified water.
Contains: Fish Oil (anchovy, mackerel & sardines).

Lubricate Joints

Our formula includes ingredients that support joint health, keeping you active and pain-free.

Prevent Body Fat Storage When Food Choices are Far Less Than Perfect

OptiOmega helps your body manage occasional dietary indulgences, reducing the likelihood of fat storage.

Support Vibrant Hair, Skin, and Fingernails

Enjoy the added benefits of healthier hair, skin, and nails with the nourishing ingredients in OptiOmega.

Optimize the Hormonal Environment During Post-Exercise Meals

Maximize your post-workout recovery and muscle growth with OptiOmega's hormone-optimizing properties.
