

# PLUG-IN FRAGRANCE DIFFUSER FOR WIRELESS FREEDOM

Say goodbye to complicated setups—as simple as plugging in a charger. Fill your space with natural fragrance in just 5 seconds.

## SIX ADVANTAGES

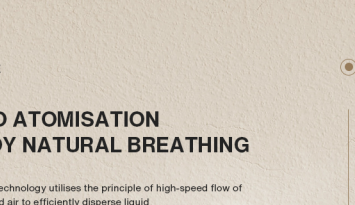

Multi-functionality for a comfortable experience

- Nano atomisation
- Aroma intensity adjustment
- Sensitive buttons
- Soft ambient lights
- Smart Light Sensing
- Quiet and fragrant

### SCENT MACHINE

## TWO COLOURS ARE AVAILABLE TO SUIT VARIOUS SCENES

Black is understated and luxurious, while white is simple and versatile, blending in with its surroundings to create a harmonious and unified atmosphere.

## FOCUS ON RESEARCH AND DEVELOPMENT, DETAILS DETERMINE THE QUALITY

### SCENT MACHINE

Creates an efficient and intelligent fragrance release system, delivering an ultimate fragrance experience for users.

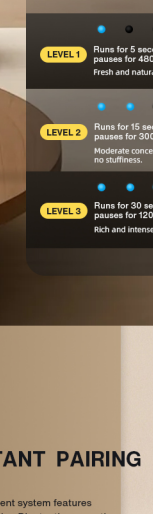

- 01** **MADE OF HIGH QUALITY PP PLASTIC MATERIAL**  
Sustainability of the product is ensured through rigorous quality testing.
- 02** **SNAP-ON PLUG INSTALLATION DESIGN.**  
The plug and the main unit connect via grooves and protrusions for precise engagement, facilitating quick and easy installation.
- 03** **ROTARY ESSENTIAL OIL BOTTLE REMOVAL DESIGN.**  
The atomizer and the essential oil bottle connect via their mutual threads, enabling easy separation with a simple twist.

### SCENT MACHINE

## NANO ATOMISATION ENJOY NATURAL BREATHING

Two-fluid technology utilizes the principle of high-speed flow of compressed air to efficiently disperse liquid substances into fine particles.

DELICATE AROMA

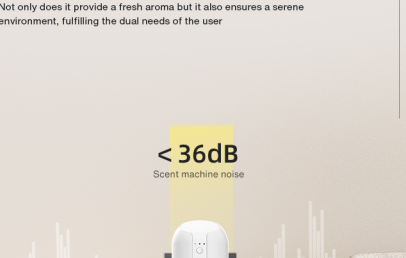

### SCENT MACHINE

< 36dB  
Scent machine noise

## INSTALLATION METHOD

### SCENT MACHINE

No complicated steps. Easily activate the car fragrance in just a few simple moves.

- STEP 1**  
Align the plug with the groove on the device's back, press gently to fit it into the groove, then rotate clockwise until a "click" sound locks it in place.
- STEP 2**  
Hold the device firmly, rotate the essential oil bottle counterclockwise until it loosens, gently pull it out, add an appropriate amount of oil, then reassemble the device.
- STEP 3**  
Choose a suitable spot, plug the device into a socket, then long-press the power button to activate the fragrance function.
