Fractured Paintbox by Quiltworx/Judy Niemeyer

With Certified Instructor: Ann Troutman

Tuesday 11/3 and 11/17 from 10am-4pm

Our next Quiltworx project class with Ann is Fractured Paintbox. It was designed as a beginner pattern to introduce quilters to paper piecing! The project is fast, uses only one foundation block, employs simple cutting techniques, and is an affordable and fun way to jump into your first paper piecing project! It is meant to make those new to the process find confidence, understanding, and success!

This pattern works with the Quiltworx.com 2-1/2" Strip Sets, which have 48 strips instead of 40. This strip set makes the 3 x 4 layout of "paint boxes". The instructions include information for a 3 x 3 layout that uses a set of Standard 2-1/2" strips (40 pieces) as well.

It is so popular that there is an entire Pinterest page dedicated to it! Search and see all the different way to color yours
