Quilted Sneakers Class with Stephanie Baker
Saturday 1/23/27 from 9:30am-4pm

Turn your fabric stash into fashion you can walk in.

Ready to shake up your sewing routine? The Patchwork Kicks All-Inclusive Kit gives sewists and crafters everything they need to design and build their very first pair of custom sneakers — no cobbling experience required. Just bring your favorite fabrics and transform them into wearable art.

And you're never on your own — every kit includes written instructions and access to step-by-step video tutorials that guide makers through the entire process, from cutting and fusing fabric to eyelet installation and final assembly. This isn't just another project — it's a conversation starter, a skill-builder, and a creative leap beyond traditional quilts.
