

Stitcher's Suitcase Class with Virginia

Two Thursdays 8/13 & 8/27 from 10am-3pm

Protect and carry your precious Singer 221/222 Featherweight (or other small sewing machine) in this sturdy, padded bag!

Made with Soft and Stable for excellent structure and cushioned protection, Stitcher's Suitcase is designed specifically for Featherweight machines but also fits other small machines such as the Singer 301, Janome Jem, and more.

The wide zippered opening allows easy access to your machine and supplies. Multiple interior and exterior pockets keep cords, foot pedal, bobbins, tools, and even vintage manuals organized and within reach.

An acrylic stabilizer slides into a fabric sleeve in the base to provide a firm foundation and added stability.

Adjustable handles with a cushioned wrap allow you to carry the bag comfortably by hand or over the shoulder.

Stitcher's Suitcase also makes a great travel or retreat bag! That wide opening makes such a difference for packing and access.
